Late Starts for the last two years.

Enrollments are "seat counts" not student headcounts

classes is counted as four enrollments.

results, if you don't select any filters from the slicers,

totals are for the entire college.

Successful" (aka Pass Rate) uses the state's definition of "A," "B," "C," or "D," divided by the number enrolled on Census date.

As you know, pass rates are higher in areas such as Physical Education, Social areas, etc. And, because of the difficulty of the subject matter,

they are usually lower in Math and Science. And grades, GPAs, and pass rates are usually higher in summer and winter sessions.
