We continue to monitor the air quality in Saratoga. The campus is open. Please check the

Athletic events and campus performances occurring outside of normal business hours will be evaluated on a case by case basis by carefully taking into account air quality readings at the respective venues and the health and safety of participants and spectators.

Check the [WVC Athletics site](#) and the [WVC Theater page](#) for specific information.

**Thursday, November 15, 2018 – 12:30 PM**

The West Valley College campus is closed today, Thursday, November 15th due to air quality. All classes and activities are canceled and offices are closed for the remainder of the day.

**Thursday, November 15, 2018 – 9:30 AM**

The West Valley College will close this morning at 10:30 AM due to air quality concerns. All administrative and faculty offices will be closed, however, the Campus Center will remain open for students without immediate access to transportation. Currently, we plan to reopen the campus tomorrow morning. Should that decision change, campus closure information will be posted on the college website by 7 AM on Friday, November 16, 2018.
