

- iii. Funding to balance the budget
- b. Based upon the Vice Chancellor's estimates, any Community Support Funds will be

- ii. Community Support Fund Proposals should not include requests for funding for:
 - 1. Specific long-term personnel positions. However, Community Support Fund Proposals may include adjustments to employee compensation to be added to the salary scale or benefits for all employees with a bargaining group or similar personnel structure.
 - 2. Capital construction projects, major renovation, infrastructure, or site development projects identified as a part of a bond-funded project and/or not identified as a part of the Education and Facilities Master Plan.
 - 3. On-going maintenance expenses, continuing licenses for technology, or other similar routine costs of operation.
- iii.
